The New Wasatch Intermountain Expo 2017

The new Wasatch Intermountain Fly Tying and Fly Fishing Expo will have a variety of well known speakers and fly fishers from throughout the Western US .

Jack Dennis is General Chairman for the 2017 Expo. The dates are April 6, 7, and 8. Jack is bringing old friends from his 40 years in this business!

We asked the 2016 vendors for feedback about their experience. The common theme was – more foot traffic past the booth! We heard you and that is what we will do! We are adding many free events and several contests to draw a wider variety of attendees!
