## 14' RANSOM

Since the Wasatch Expo is sponsored by chapters of Trout Unlimited, a 501(c)3 non-profit organization, your donation may be tax deductible.

# WELCOME TO THE FOURTEENTH ANNUAL WASATCH FLY TYING AND FLY FISHING EXPO

The Wasatch Expo is a joint undertaking of fly tying and fly fishing non-profit fishing organizations through northern Utah. These include chapters of Trout Unlimited including The Stonefly Society, lead sponsor (Salt Lake County), and the supporting TU Chapters including High Country Fly Fishers (Summit and Wasatch Counties), Weber Basin Anglers (Weber County), Cache Anglers (Cache County). Also participating on the Expo organizing committee are the Salt Lake Chapter of Fly Fishers International and the Bountiful Great Western Fly Fishers Club.

The purpose of the Wasatch Expo is to provide a venue for fly fishers to see and purchase the latest in equipment offerings and services from fly fishing shops, guide services and outfitters. There are over 100 vendor booths this year. Vendors will be showing fly fishing equipment, fly tying supplies, fly fishing art, and countless other items. Fly casting ponds are provided to try your skill with a demo rod that several vendors will have at their booths.

In addition, the Expo provides a large number of on-the-water and classroom workshops on a wide range of topics taught by experts. You will find a schedule of these events on the following pages. These workshops cover places to fish, fly fishing techniques, fly casting instruction, fly tying instruction, and many other topics. The fly tying section of the Expo has nearly 80 tiers that will demonstrate their techniques and will share their knowledge with you.

The Wasatch Expo is managed and produced by a group of dedicated volunteers who represent their respective organizations. After covering the expenses for this event, any proceeds are allocated to the participating organizations listed above. These funds help to support the conservation, education, and humanitarian efforts of their respective organizations. You can read more about those efforts on the last page of this program. Lastly, all of the organizations listed above have websites where you can learn more about their activities. We encourage you to visit their websites and to consider participating in their organizations.

We hope you enjoy this program and leave eager to try out your new equipment or new techniques. If you want to leave us any comments or suggestions, you can email me at [speytyer@aol.com](mailto:speytyer@aol.com). We hope to produce an Expo each year that exceeds your expectations and, with your help, we will do so.

# FLY FISHING CLUBS OF THE WASATCH

**STONE FLY SOCIETY, SALT LAKE.** The Stonefly Society is a group of like-minded anglers that are concerned about conserving fishing and aquatic habitat along Utah's Wasatch Range. We enjoy sharing the love of fishing of all styles. As a chapter we support the following programs: Trout in the Classroom, Stonefly youth trout camp, Reel Recovery, Casting for Recovery, PHWFF, our main current project is the Mill Creek Restoration Project, we do river clean ups both as a club and in support of other local clubs. The money we make at the expo goes to support all of these worthy causes and we encourage you to join us for a meeting to learn what we are all about. PRESIDENT Scott Antonetti - stoneflysociety@gmail.com

**HIGH COUNTY FLY FISHERS, PARK CITY.** High Country Fly Fishers (TU Chapter 599) We are a conservation and community service oriented fishing club with members located throughout Summit and Wasatch Counties. HCFF conducts projects throughout the year including sponsoring seven Trout in the Classroom programs, willow planting around Strawberry Reservoir, supporting Project Healing Waters through fly tying, rod building, and fishing events, fly tying and fly fishing classes for kids and adults, and other community service projects. We meet on the first Wednesday of every month at 7 p.m. at the Red Rock Brewery in Kimball Junction. Sign-up for our email on [www.hcff.net](http://www.hcff.net). Old friends and new members are always welcome, so drop by for good conversation, interesting programs, and fishing stories. PRESIDENT Dave Allison, [jdogdave@gmail.com](mailto:jdogdave@gmail.com)

**CACHE ANGLERS, NORTHERN UTAH.** Cache Anglers is the northern Utah chapter of Trout Unlimited serving Cache, Box Elder, and Rich counties in Utah, as well as southeastern Idaho. The longest term project we focus on each year is the Spawn Creek Fence project, designed and built by Cache Anglers to keep cattle out of the riparian area on an important cutthroat spawning tributary of the Logan River. We also are funding nine Trout in the Classroom setups in Cache and Box Elder schools. Another major use of funds from our fundraising activities is our Kids Fly Fishing and Stream Ecology Camps held in the summer. We provide funding and manpower for projects conducted by Utah State University and the Utah Division of Wildlife Resources on our local streams, especially the Logan River, primarily focused on the native cutthroat populations. PRESIDENT Dave Newman, [canglerdave@gmail.com](mailto:canglerdave@gmail.com)

**BONNEVILLE FLY FISHERS, SALT LAKE** The purpose of the Bonneville Fly Fishers is to support the goals Federation of Fly Fishers (FFF) within our region, representing all fly fishers. We will strive to meet this objective by creating an atmosphere and developing goals that encourage education, conservation and the enjoyment of fly fishing, fly tying and related activities. PRESIDENT Jim Blevins, [yblevins@hotmail.com](mailto:yblevins@hotmail.com)

**WEBER BASIN ANGLERS, OGDEN** Trout Unlimited Chapter 681 - Weber Basin Anglers. Promoting conservation and trout fishing while having a great time outdoors. The club's recent projects include sponsoring Trout in the Classroom projects in 5 schools, replacing fencing around the South Weber fisherman's access that was destroyed in a wildfire, building and installing fish ladders on Strawberry Creek in Mountain Green, assisting DWR in tagging cutthroat trout on the Weber River, river cleanups on both the Weber and Ogden rivers, and stream restoration and habitat re-vegetation on walk-in-access sites. President Cole Larson. Email: [Colethebarbarian@gmail.com](mailto:Colethebarbarian@gmail.com).

**GREAT WESTERN FLY FISHERS CLUB** is an unaffiliated group of active anglers and fly tiers. The purpose of our club is to teach and encourage catch and release fly fishing, beginner, intermediate or advanced fly tying, and to serve as a forum for sharing new and classic methods and ideas of fly tying. We are a group that enjoys the sport and the getting together to share our tales of our piscatorial battles. PRESIDENT Mike Andreasen, For more information contact Dave Gibson at [gibbyutah@gmail.com](mailto:gibbyutah@gmail.com)

# BUCKET RAFFLES AND SILENT AUCTIONS

**Co-Chairs: Justin Grover & Eric Luna**

The Wasatch Expo is sponsored by the Stonefly Society Chapter of Trout Unlimited with support from other clubs as described on Page 4. These fly fishing clubs conduct a wide variety of conservation and humanitarian projects throughout the year. Your support of these raffles and silent auctions raises funds for those activities. For all of these raffles and auctions, you need not be present to win but you must have a bid number on the back of your ticket.

## Grand Prize Registration Raffle

This raffle is free. You get one entry just for registering on the iPads next to the admissions ticket table before you enter the Expo Hall. The ticket has your bid number and you need to enter it into the iPads so we can contact you if you win and are not present at the time your lucky ticket is drawn. Grand Prize is a Green River guide trip and there are 8-second prizes – \$25 gift certificates from Western Rivers and Fish Tech.

## Red Ticket Bucket Raffles

Red Ticket Bucket Raffles will be held three times per day. Each ticket costs \$1 or 25 for \$20 or 55 for \$40 or 70 for \$50 or 150 for \$100. Prizes in the red ticket raffles have values ranging between \$15 to \$100. Red Ticket Bucket Raffles will begin at 9:00, 11:30 and 2:00 each day and last for approximately 2 hours.

## Gold Ticket Bucket Raffles

Gold Ticket Bucket Raffle will be held daily. Each ticket costs \$10 or 6 for \$50. Prizes in the Gold Ticket Raffle have values ranging between \$100 to \$400 dollars.

## White Ticket Bucket Raffles

The White Ticket Raffle will be held at the end of the Expo. Each ticket costs \$25 or 5 for \$100. The prizes are typically fly rods with values ranging between \$500 to \$800

## Silent Auctions

The silent auction will be held three times each day. Items on the silent auction table will range value up to several hundred dollars. You choose what you want to pay! Silent Auctions will begin at 9:30, 12:00, and 2:30 each day and last for two hours. Winners will be announced throughout the day after each auction.

## Expo Trip Center

Donated trips from Expo vendors are for sale on the floor at the Trip Center. Come by and make an offer on a trip of a lifetime! From the Provo River to Alaska, we have a trip that will fit you, and remember, buy from us and you are buying from a nonprofit. The Trip Center is located across from the Adventure Theatre.

# WASATCH EXPO AWARDS BANQUET

**When: Friday, April 12th, 2019 at 6:00 PM.**

**Where: Hilton Garden Inn. 277 West Sego Lily Drive. Sandy, Utah 84070**

Enjoy a full banquet style social event. The dinner menu will feature a choice of three entrees as well as a wide range of the trimmings.

Joining us for the banquet will be our workshop instructors Pat Dorsey, Duane Redford, Mark Raisler, Skip Morris, Scott Sanchez, Devon Olson, Marty Howard, Lance Egan, Uncle Cheech, Molly Semenik and Mary Anne Dozer. This event will feature both live and silent auctions. Silent auctions will feature fly fishing equipment, clothing and boxes of flies tied by local and visiting artists. A live auction by Will Godfrey will include a variety of guide trips, artwork and other major items. Key live auction items will be listed here as we move forward.

As a reminder, the Wasatch Intermountain Fly Tying & Fly Fishing Expo including the banquet is the primary method of raising funds for conservation, youth programs and humanitarian projects. The volunteer staff of the Expo are from Utah TU and FFF chapters including The Stonefly Society, High Country Fly Fishers, Bonneville Fly Fishers, Cache Valley Anglers, Weber Basin Anglers and the Great Western Fly Fishers Club.

**Join us and support the causes we support!**

## 2018 “TOP GUN” Fly Casting Contest

### A timed event for distance and accuracy!

#### Contest Overview:

Competitors will cast five rods for distance and one rod for accuracy. This contest is not designed to be an ACA style event, but to reflect the actual conditions found on the stream while casting to fish! The rods will consist of five 9 ft. 5 wt. rods — one fiberglass, one bamboo and three graphite – all different models from various sponsoring manufacturers. The reels and lines are also provided by our sponsors. The fly caster must make one distance cast with each rod and the cast must fall within the pond to score. The caster will then choose one of the five rods, and cast to each of five targets beginning with the nearest. The target scores are 100 points inside the outer ring and 200 points inside the center ring. All casting must finish in 4 ½ minutes. Flies must be on the water when time expires to record a score. Distance scores are measured to the nearest ½ foot and recorded after each cast. Distance and accuracy scores are combined for a total score. The finals are limited to the highest qualifiers in the men’s and women’s divisions. The finals will start at 4 pm on Saturday, April 13th.

#### Prizes are the same for both Men’s and Women’s Divisions

Top Gun: \$3000,00 Plus first choice of a rod and reel used during the competition.

Second Gun: \$500,00 Plus choice of remaining rod and reel used during the competition.

Third Gun: \$250,00 Plus choice of remaining rod and reel used during the competition.

#### Qualifications:

Qualification rounds will start April 11th – the day before the Expo opens – and will continue on Friday, April 12th and Saturday, April 13th until 3 pm. The qualification rounds have an entry fee of \$20ea. Scroll down for your Online Registration. You can register for 2 qualification rounds prior to the start of the Expo. Online pre-registration will close on April 8th or when all slots are filled. Slots are limited. If any qualification slots are available prior to the start of the show, they will be sold on a first come first serve basis beginning at 9:00 AM Friday at the competition pond. No competitor can purchase more than 3 total slots for the completion. As long as qualification slots are available you can request your choice of the days and times for the qualification rounds. We will try to accommodate your schedule needs but will make no guarantees. Once you have registered, we will be contacting you in about a day or two for scheduling. We will send you an email with your time slot. Make sure your email is accurate on the PayPal checkout form. Include your phone number as we will need that to schedule your slots. You are asked to show up 30 minutes before your scheduled time to check-in and review the rules of the competitions with an official. Prior to casting, you will be asked to sign a liability release

#### Qualification rounds run from:

Thursday – 1:00 PM to 5:00 PM

Friday — 9:00 AM to 5:00 PM

Saturday — 9 AM to 3:00 PM
